RAINFOREST FALLS VBS

TONIGHT's the night!! This week we will guide 113 kids and 47 volunteers through 5 days of learning, worship and celebration of our Lord and Savior!

**If you are available one of these evenings and did not sign up to volunteer, please come out and take part. We can use you!
Come out! Be a part! We have a job for you!**

Pray for Our VBS

Jesus, we pray that through VBS, kids in our community will grow in their relationship with you. We ask that you begin to break down any walls that might be preventing their young hearts from receiving your love. We ask that the truth of who you are sink deep into their hearts. Let them leave knowing who you are and the overwhelming, joyful love you have for each and every one of them. May the impact of VBS last a lifetime.

PRAYER TEAM

The Lord is near to all who call on Him, and there can never be too much prayer. For those who feel called to pray more, there are more opportunities to pray together and participate in occasional prayer activities.

Prayer activities may include prayer services, prayer at private homes, praying together in a zoom call or praying at a community vigil or event (such as the National Day of Prayer).

**We welcome you to join us in group prayer.
If interested, please sign up on the sheet in the narthex.**

CONFIRMATION JOURNEY

If we have enough interest, Unionville Church will form a confirmation journey class for our youth. Students will learn the basics of the Christian faith; review the history of the UMC; and explore the meaning of grace, sacraments, and discipleship.

Each student will prepare to make a conscious, personal choice to follow Jesus Christ. The class culminates on Confirmation Sunday when participants publicly declare that Jesus is the Lord of their lives before taking vows to become members of our church.

**For questions, or if you are interested,
please reach out to Pastor Barry.**

SERVE IN THE SOUND BOOTH

Did you ever stop to think about the technology behind our worship services? We have several volunteers who provide microphones, graphics and computer programs to enhance our in-person and online worship experience. And we need more people to share these responsibilities.

We will provide training if you can help. Even one Sunday per month would help take the load off our long-time sound booth volunteers.

Please reach out to Jon Beige for details. Thank you.
