# 2026 VBS Work Night Schedule

Scan this QR code to see the donation list of items needed!

Work nights are a very important part of bringing everything together! Each week, we will be working on a variety of projects to help prepare decorations, activities, and all the special details that make VBS such a meaningful experience for our kids. We truly need helping hands- many hands make light work, and your time and effort will make a big difference in making VBS unforgettable!

We will also have cleanup times on June 16<sup>th</sup> and June 17<sup>th</sup>, which are just as important as we work together to get the church back in order. Whether you can come once or multiple times, we would love and appreciate your support!
