**PASTOR'S CORNER***Pastor Barry***Pastor's  
Corner****Be Strong and Courageous**

It was a time of earth-shaking transformations. All parts of life changed for God's people as they stood still for the first time in years, as they prepared to enter a foreign land God had promised. They had been slaves; they had been nomads; they had lived on only manna and water. But now they looked forward to enormous vegetables, clusters of juicy grapes and spacious fields for livestock. The land was full of all kinds of blessings from God, but there was a problem: the land was already occupied, not by nice neighbors to help them settle in, but giants and armies to be overthrown. Furthermore, Moses—who performed God's miracles, spoke with God face to face, and led them through the Red Sea on dry ground—had just passed away. What do we do now? Once again, hundreds of thousands of anxious people were hemmed in by a body of water; this time it was the Jordan River that flowed between them and their future.

Joshua was known for his confidence; he was a natural leader and warrior. And God said something important while prepping him to become the next Moses: "Be strong and courageous." This advice came three times in the first nine verses of the book of Joshua. Be strong and courageous!

During times of change, even though we remember how strong God is, we become intimidated by what is in front of us or imagine how things might turn disastrous. And we may connect those worries and fears with our leaders. This is one reason God needed Joshua to be solid. God's people would face all kinds of armies and challenges, but the largest enemies were the unknowns. That is where we need God the most. Instead of letting our imaginations exaggerate things we fear, we need to remember the power of God, who promises our future and pledges to never leave us for a second. "...for the Lord you God will be with you wherever you go" (Joshua 1:9).

God needed his people to be confident in their new leader, and it is worth noting that the people understood. They said, we will obey God and follow your leadership like we followed Moses, "only be strong and courageous" (Joshua 1:18). When the time was right, and after he heard from the Lord, Joshua led the entourage across the Jordan river on dry ground. It was an amazing miracle, and the Lord used this crossing to help the people realize that in the same way God was with Moses, God would be with Joshua.

Unionville Church is also in a time of sweeping transition. It is not just the impacts of the pandemic and denominational tumult that have turned our world upside down. It is the passing of our loved ones who we miss so much. At the same time, we feel the squeeze of suburban sprawl around us as we get used to an economic landscape that does not include the mills or other solid employers. Things look much different now. Furthermore, we find it difficult to get a clear vision of our future. It seems like we need a miracle to face some challenges.

During times of private prayer, what are the words of advice that God has repeated to you? Write them down and remember them. During times we worship God together, when other believers have encouraged or prayed with us, what messages does God repeat? As a perfect and patient teacher, the Lord often repeats advice that is important but might be difficult to learn. And as we march forward into this time of change, the message I have heard over and over is the advice God gave Joshua: be strong and courageous; I will be with your wherever you go.

# UNITED WOMEN IN FAITH

*Linda Eiler*

The United Women Of Faith will meet Monday, April 27th. at 6:00pm to finalize plans for the New Sewickley Christian Women's Luncheon in May. Unionville is the host church this year.

We would love to see all the women of Unionville come and fellowship with the Christian women from our neighboring churches.

**Christian Women's Luncheon**  
**Saturday, May 9th. @ Noon**  
**Theme: Bloom where you are Planted**  
**Guest Speaker: Nikki Henck**  
**RSVP to church office @ 724-843-0862 by Apr. 26th.**

The women will also be having a bake sale at the rummage sale on April 17th. and 18th. Any donation of "goodies" from our church families would be greatly appreciated.

On Election Day, May 19th., we will again be having a soup and sub sale.  
 Our plan is to add an additional soup choice.  
 You will be hearing more details about this after Easter.

## SEWING LADIES

Our Sewing Ladies meet every Tuesday at 10:00 am to sew and quilt. One of the many things they make are quilts for those from our congregation who are battling cancer. Recently, Pastor Barry presented a quilt to Wayne Loschinsky. Please hold Wayne in your prayers as he continues cancer treatment.

If you wish to join the sewing ladies, come on out! You don't have to have any special skills to join in the fun! And you may just learn some new skills!

**CHRISTIAN ED***Linda Miller*

**“Come, follow me,” Jesus said, “and I will send you out to fish for people.” ~Matthew 4:19**

*“Having a personal relationship with Jesus is magnificent, but it is incomplete if it ends with us. Part of being his follower is to intentionally help others learn from him and become more like him. As a friend of mine says, “If you aren’t helping other people follow Jesus, I don’t know what you mean when you say you’re following Jesus.” To be his follower is to help others follow him. “ ~Garrett Kell*

As we draw close to wrapping up our school year, I find myself reflecting on all that has transpired this year. We have had 8 kids who have regularly attended Kids’ Club throughout the year. What a blessing to share Jesus with these kiddos! We have pulled our lessons from a video series called Theo, from Right Now Media. We have learned about God’s Love, God’s Grace, God’s Heart, God’s Truth and God’s Desire, all for us! We have played games and completed activities each week to drive home the lesson. As we prepare to wrap up Kids’ Club at the end of the month, my prayer for these kids is that a faith foundation has been established and that they will continue in a faith journey where they will continue to grow and desire to share Jesus with others, because that is what it is all about! We are discipled to disciple others, Jesus is not something that you can keep to yourself!

Youth Group will wind up at the same time as Kids’ Club and the desire for our Youth is the same. We pray that the foundation that our Youth leaders have worked to establish within these kids, is one that will continue to mature as they grow into adulthood and that it will be rooted and grounded in Jesus and that the desire to share with others will always be in their minds and in their hearts!

**“Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving”.**

**~Colossians 2:6-7**

In addition to our Kids’ Club and Youth Group we will be winding up Sunday School in May. Sunday School classes have been pretty consistent in attendance. The Adult Class continues to run strong with a team of teachers. Our children’s classes have struggled with low attendance but our teachers have carried on! What a blessing to have teachers that are willing to put in the time for even just one kid! It’s hard to prepare and teach a lesson for one or two children but just as Jesus left the flock to tend to the one, our teachers have done a wonderful job with these one or twos. We pray that this nurturing will pay off in great dividends as their faith grows through the years and they recognize the love that was poured into them. *“Had it only been you or me that needed saving, Jesus would have still went to that cross.”* This is our mindset, if even one kid comes to know Jesus, the effort is certainly worthwhile. We do pray however, that God will bless us with many more children as we prove ourselves faithful with the ones and twos.

There is a Sunday School class for you. If you’ve never been in Sunday School, drop in and check it out. We need to be discipled so that we are prepared to disciple others.

You may or may not wonder where our children disappear to after the Children’s Sermon in Worship. Children’s Church is held in the Conference Room and we have a tag team group of teachers and helpers who prepare lessons for our children each week. Most weeks this is also a small number of kids in attendance but again we are blessed with the efforts put forth to draw these kids closer to Jesus.

**Thank you to all of our wonderful leaders and teachers! Thank you for answering the call! Thank you for taking the time to help others follow Jesus! Please hold all these persons in prayer as they continue to serve!**

## WEDNESDAY ADULT BIBLE STUDY

The Wednesday Morning Adult Bible Study meets from 10:30 am until noonish. They have been a consistent and faithful group that has met each week. Anyone is welcomed to come out and join in this study. All you need is your bible and if you don't have one, we will get you one! They are currently finishing up the book of Joel and will be starting Amos.

This class will not meet during Holy Week and will finish up by the end of April and will return again in the Fall.

Thank you to Lori Calve for teaching this study. **"Well done good and faithful servant!"**

## THURSDAY ADULT BIBLE STUDY

The Thursday Adult Bible Study meets each week at 7:00 pm and has a faithful attendance! This class has been led this year by Jon Beige for a series, Pastor Barry for a series and we are just finishing up a series called "Easter", this study group typically meets through the end of May but we are in need of a teacher for the next series that has yet to be determined. If you feel led to lead a series, please see Jon Beige or Pastor Barry. Thank you teachers for your service to this bible study. **"Well done good and faithful servants!"**

I cannot speak to the former study series this year as I was unable to attend but I did want to expound a little bit on the current study, "Easter". This class has been such a blessing to me! We have heard the Easter story every single year, every part of it, since for most of us a young age and yet the way J.D. Greear presents it. took me a little deeper into the story. Every week there was something that I had never thought of, though it was there all along. I would encourage everyone to sign up for the Right Now Media that is provided to you free through Unionville, and check out this study and some of the many others available to you. Each lesson has a short 10-15 minute video which you can easily listen to in your car while traveling or in your devotion time. You can download the streaming app to your television or your cell phone. There is a free study guide available also if you want it.

The main theme of the "Easter" study — *"Jesus. In. My. Place. —Jesus was betrayed by me, He was forsaken for me, He was accused and punished for me, and now He wants to be Alive in me and work through me! How can we possibly keep that to ourself? How are You going to respond to Jesus? Jesus did not just die for you, He died instead of you."*

**Go take a listen and then Go change the world for Jesus!**

## WHAT'S UP NEXT?

*Linda Miller*

Vacation Bible School will take place June 7-11. (check out the next few pages) Spread the word to the Community, get the kids signed up. We can always use more volunteer help in many different areas, please sign up to help out.

After VBS, other than a few Youth Group outings in the summer, we have over the last few years, taken off during the summer. Pastor Barry and I have talked and I know he feels strongly that we should not "go dark" (his words) or "peace out" (my words) for the summer. We will be talking more about this but I know that he plans to lead a prayer study this summer and we are praying about other ways to keep the activity going through summer. If you have ideas, suggestions, would like to lead or plan a study or event, host something at your home or camp or in the church; please share with Pastor Barry or myself. Let's continue to follow Jesus this summer and help others to follow also.

## SPRING IS COMING AND CLAYTON'S ARMY IS ON THE MARCH AGAIN!

On Saturday May 16 the Pittsburgh Region Cystic Fibrosis Foundation will hold its annual Great Strides 5K Walk to raise money for research to fight cystic fibrosis – a rare, genetic, life-shortening disease that makes it difficult to breathe. At this time there is still no cure for it. Most patients die before the age of 45. That number is up from 25, which is what it was when David was in graduate school in 1971.

Once again, we're walking as part of Clayton's Army. Clayton Himmler is our nephew. Clayton is now 8 and a half years old and, most of the time, he looks pretty healthy – largely due to the care his parents (Dale and Jennifer) give him and some experimental drugs. Nevertheless, he and his parents have to be very careful about infections. A minor chest cold could send him to the hospital.

Last year, Clayton's Army raised a bit more than \$3,355.00; the total for the Great Strides Walk was around \$300,000. This year, we hope to do better. Most of the money raised is used for research.

Once again, we're asking for your help. It's a 5K walk. Could you donate 20 cents a kilometer (\$1.00)? Or 40 cents (\$2.00)? Or \$1.00 (\$5.00)? Or some other amount?

If you're willing to be one of our sponsors, you could give your donation to Nancy or Dave at church some Sunday. Or you could mail it to us: 201 Mowry Road, Monaca, PA 15061. If you use a check, make it out to Cystic Fibrosis Foundation. On the memo line write "Clayton's Army."

Help us to help Clayton and the other kids and increasingly adults have the chance to grow old.

Thank you,

Dave and Nancy Wilson

**We will need help with setting tables up and sorting through sale items; help needed during the hours of the sales; and especially after the sale to box up what doesn't sell.  
This is hard work so the more the merrier!**

**Our rummage sale has been well received over the years. Last year an influencer was looking at our treasures and shared it on social media.**

**If anyone knows of a location that could use what we don't sell. Please reach out to me as this has been more difficult as the years go by.**

**See Wendy Kline for more information**

*Two are better than one, because they have a good reward for their labor.
